About Quick Cash Factoring

We understand the challenges of cash flow in the trucking industry. Our mission is to provide fast, reliable freight factoring solutions that keep your business moving forward.

- Fast Funding**
Get paid in 24 hours or less
- High Advance Rates**
Up to 95% of invoice value
- Credit Protection**
We handle collections and credit checks
- No Hidden Fees**
Transparent, straightforward pricing
- 24/7 Support**
Dedicated customer service

How It Works

Our 3-step process makes getting paid for your freight invoices quick and hassle-free, without taking on debt.

- Submit Your Invoices**
Upload your freight invoices and proof of delivery through our secure online portal or simply email them to us.
- Quick Verification**
We review your invoices and check your customer's creditworthiness. Most approvals happen within just a few hours.

Our Services

- Invoice Factoring**
Turn unpaid freight invoices into same-day cash so your business keeps moving.
- Fuel Advances**
Access funds upfront to cover fuel costs and reduce the stress of long waits.
- Freight Broker Factoring**
Reliable cash flow solutions tailored to help brokers pay carriers on time.
- Owner Operator Support**
Flexible factoring plans designed to meet the needs of independent drivers.

WHY CHOOSE QUICKCASH FACTORING?

Running a trucking business isn't easy between long hours on the road, rising fuel costs, and delayed shipper payments, cash flow can quickly become a challenge. At QuickCash Factoring, we make sure you get the money you've already earned without the long wait. Our services are built around speed, reliability, and transparency, so you can stay focused on keeping your trucks moving and your business growing.

Fast Funding

Get paid within 24 hours after invoice verification no more waiting 30-60 days.

High Advance Rates

Receive up to 95% of your invoice value upfront with competitive rates.

Credit Protection

We handle credit checks and collections, reducing your risk of non-payment.

No Hidden Fees

Transparent pricing no hidden fees, no setup costs, no minimum volume.
